

NOTICE OF PUBLIC HEARING #1

Allen County intends to apply to the Ohio Department of Development for program year 2022 under the Community Development Block Grant (CDBG) Program, a federally funded program administered by the State. CDBG programs can fund a broad range of planning, community improvement and housing related activities that must be designed to primarily benefit low-moderate income persons, aid in the prevention of elimination of slum and blight or meet a need within the community. The County is eligible for the following PY 2022 Community Development programs, providing the County meets the applicable requirements:

- Allocation Program: biennial for approximately \$220,000 – designed to improve public facilities, public services, housing, economic development and fair housing.
- Neighborhood Revitalization Program: biennial up to \$750,000 – designed to improve the quality of life, livability and functionality of distressed areas through public infrastructure projects.
- Residential Public Infrastructure Program: open cycle up to \$750,000 - designed to create safe and reliable drinking water and properly disposed of sanitary waste.
- Critical Infrastructure Program: open cycle up to \$500,000 – designed to fund public infrastructure improvements with a significant community impact.
- Economic Development and Public Infrastructure Program: open cycle up to \$500,000 – grants and loans designed to improve infrastructure directly and primarily related to creating, expanding or retaining a business in the community.
- Target of Opportunity Program: open cycle, up to an amount to be determined - designed to provide a means to fund worthwhile "targets of opportunity" projects and activities that do not fit within existing program structures and to provide supplemental resources to resolve immediate and unforeseen needs – includes Downtown Revitalization, up to \$250,000, designed to improve central business districts, aiding in the elimination of slum and blight structures.

The first of two public hearings will be held on February 22, 2022 at 8:30 a.m. This meeting will provide citizens with pertinent information about all of these programs, including an explanation of eligible activities, program requirements and application due dates.
