REQUEST FOR ENGINEERING SERVICES

**ALL-C.R. 173 (THAYER ROAD RECONSTRUCTION)
PID NO. 116196**

The Allen County Engineer will be selecting an engineering firm to perform engineering design, plan development, right-of-way plan development and geotechnical soil borings for the reconstruction of Thayer Road between S.R. 309 and Reservoir Road in Bath Township.

Proposed Facility:	Complete reconstruction and widening of the pavement to 24' with 2' stone shoulders on each side, improved roadway drainage, and a new single-span bridge over Lost Creek.
Project Length:	Approximately 4550 feet
Construction Cost:	\$2,932,700 (CSTP Funding for FY 2027)

Engineering firms interested in being considered for this selection must submit a Letter of Interest along with a General Qualifications Statement to the Allen County Engineer, 1501 North Sugar Street, Lima, Ohio 45801 prior to 3:00 PM on Friday, January 20, 2023. Letter of Interest and General Qualification Statement requirements can be found on our website at www.allencountyohengineer.com/engconsultants/.
