**REQUEST FOR ENGINEERING SERVICES**

**ALL-C.R. 142-3.63/4.77  
(BREESE/SHAWNEE & BREESE/DIXIE INTERSECTION IMPROVEMENTS)  
PID NO. 118884**

The Allen County Engineer will be selecting an engineering firm to perform engineering design, plan development and right-of-way plan development for the improvement of the Breese Road / Shawnee Road and Breese Road / Dixie Highway intersections located west of I-75 in Shawnee Township.

Proposed Facility: Full signal upgrade of the intersection of C.R. 142 (Breese Road) and C.R. 152 (Shawnee Road) and the intersection of C.R. 142 (Breese Road) and C.R. 270S (Dixie Highway) to mast arm signals; countdown pedestrian signal heads with push buttons; sidewalk landings & ADA curb ramps; high visibility crosswalk markings; radius improvements; and drainage improvements. Also included is the addition of a westbound right turn lane at Breese Road onto Shawnee Road and the replacement of the southbound approach asphalt pavement on Dixie Highway with concrete pavement to prevent pavement damage from heavy truck traffic. The northern 7000' of Dixie Highway will be grind and pave only.

Project Length at Breese/Shawnee Intersection: 1600' along Breese Road / 1040' along Shawnee Road

Project Length at Breese/Dixie Intersection: 1425' along Breese Road / 8220' along Dixie Highway

Construction Cost: \$2,610,100 (CMAQ and STBG Funding for FY 2027)

Engineering firms interested in being considered for this selection must submit a Letter of Interest along with a General Qualifications Statement to the Allen County Engineer, 1501 North Sugar Street, Lima, Ohio 45801 prior to 3:00 PM on Friday, August 16, 2024. Letter of Interest and General Qualification Statement requirements can be found on our website at [www.allencountyohengineer.com/engconsultants/](http://www.allencountyohengineer.com/engconsultants/).
