REQUEST FOR ENGINEERING SERVICES

**PROJECT BOSC PUMP STATION AND
FORCEMAIN PROJECT**

The Allen County Sanitary Engineer will be selecting an engineering firm to perform preliminary evaluation, design, permitting, bidding and construction administration services for a new Project Bosc pump station and forcemain in American Township.

Proposed Facility:	Pump station and forcemain capable of handling approximately 2.5 MGD peak flow.
Project Length:	Approximately 17,000 feet
Construction Cost:	\$20,250,000

Engineering firms interested in being considered for this selection must submit a Technical Proposal to the Allen County Sanitary Engineer, 3230 North Cole Street, Lima, Ohio 45801 prior to 2:00 PM on Friday, July 11, 2025. Technical Proposal requirements can be found on our website at <https://allencountyohio.com/sanitary-engineering/public-information/projects/>.
